

Seminar

Digital Future Symposium 2025

OVERVIEW

Inaugurated in 2014, the REDAS Symposium has championed Integrated Digital Delivery (IDD) for the industry for almost a decade. Last year, over 100 built industry players participated in the event. The 10th edition of the symposium will adopt a new name and direction as the **Digital Future Symposium: "Transform Today, Lead Tomorrow"**. This shift emphasizes broader digital transformation themes essential for advancing the built industry.

The **DFS 2025** will highlight technologies such as Artificial Intelligence, the Internet of Things, and digital twins. These advancements hold the potential to drive collaboration, improve communication, and bolster competitiveness across all stages of real estate development. Under the theme, "Transform Today, Lead Tomorrow", we aim to inspire industry stakeholders to embrace change, adopt new digital tools, and collectively build a resilient, future-ready sector.

HIGHLIGHTS

- Successful Collaborations & Progressing Into The Future Built Environment with Real Estate Analytics and Performance Indicators Dashboard (RAPID)
- Discover strategies to overcome digital adoption barriers, explore emerging technologies that are disrupting traditional business models, and gain practical insights into future-proofing your developments
- Ways Data-driven Tools And Technologies are driving Digitalization, Automation and increasing productivity within industry
- Explore emerging technologies that are disrupting traditional business models, and gain practical insights into future-proofing your developments

DATE

2 April 2025, Tuesday

TIME

9.00am to 5.00pm

VENUE

**PARKROYAL
COLLECTION** Marina
Bay, Singapore
6 Raffles Boulevard,
Singapore 039594
Garden Ballroom,
Level 1

FEES (Subject to GST)

* **\$300** (REDAS

Member)

* **\$350** (Non-Member)

CPD POINTS

Pending

REGISTRATION

**Registration will end
on 28 March 2025**

PROGRAM

Time	Agenda
8.45am	Registration
9.00am	Opening
9.05am	Welcome Address: Data-driven approach to foster seamless collaboration
9.10am	Keynote Address : Real Estate's Digital Crossroads: The challenges and opportunities in data-driven transformation
9.20am	Group photo of 20 developers who had implemented RAPID on stage with Guest of Honour
9.30am	REDAS IDD (RAPID) Dashboard: Achievement, Progress and Opportunities ahead
9.45am	Presentation by BCA: Path to collaborative excellence through digitalization
10.15am	Morning break
10.30am	Presentation: IoT and Digital Twins: Enhancing building management <ul style="list-style-type: none">• Evolution of urban digital twins to create virtual and interactive replicas of buildings and assets• Real world applications on how digital twin can help monitor, review and adapt the operational and environmental performance of assets and plan for the future.
11.10am	Invite IMDA to kick start the digital future direction. This will lay the baseline for Prof Lam to launch his discussion
11.25am	Panel Discussion: Achieving Project Excellence Through Better Use of Digital Technologies <ul style="list-style-type: none">• Best practices in Digital Transformation• Overcoming barriers to Digital Adoption with case studies
12.10pm	Lunch
1.15pm	Presentation: Smart technology tools & AI: The new frontier of building construction & management
1.55pm	Presentation: Data-driven innovations transforming the real estate development industry through case studies <ul style="list-style-type: none">• Sharing on how developers are increasingly adopting Data-driven technologies to address key challenges and how developers can derive

	actionable insights from vast amounts of real estate data.
2.35pm	Harnessing AI and Robotics for Safer, Efficient Building Management
3.15pm	Afternoon Break
3.30pm	<p>Presentation: Roadmap to Transformation: From Excel Sheets to Data-Driven Decision Making</p> <ul style="list-style-type: none"> • Integrating AI with Design and Project Management Tools for Enhanced Efficiency • Explore trends like smart buildings, IoT integration, and sustainable practices driven by AI advancements
4.10pm	<p>Panel Discussion: Seizing the Moment: Harnessing Technology for Industry Leadership</p> <ul style="list-style-type: none"> • Discuss challenges faced by developers, including resistance to change, skill gaps, and investment costs. • Discuss opportunities for growth and innovation, emphasizing the competitive advantage that digital transformation can offer.
4.55pm	Closing remarks

TARGET AUDIENCES

- Developers
- Architects
- Engineers
- Facility Managers
- Government Agencies
- Technology Solution Providers

Real Estate Developers' Association of Singapore (REDAS)

190 Clemenceau Avenue, #07-01 Singapore Shopping Centre, Singapore 239924
